When does life end? ...2 Perspectives

Heart Attack, Accident, etc.	Lose Consciousness	Heart Stops	"Brain Death"	
				

Doctor decides (logical)

	↔		↔	
---	---	---	---	--

Observer (family) decides -- "feels"
(emotional / metaphysical)

3

Complication #1: Organ Donation & "Tamashi"

	Ancestors "entrust" your body to you.	
		

"Defiling" your body is forbidden

4

Complication #2: Ending Life Support

Japan: Is the doctor "killing" the patient?
