

Euthanasia #1 安楽死: Assisted Suicide

Brittany Maynard
...1984 - 2014

>29 years old
>six months to live

Euthanasia 安楽死: 3 Types

Assisted Suicide: Details

Assisted Suicide		MD / patient <i>does</i> something
	(Brittany Maynard's prescription)	
		
		

"Who am I?" ...an "existential" question

"I don't want to ever be like that."

Survey: When that day comes, do you want to...

___ stop living

___ keep living

(Alzheimer's = memory loss)
